Stay

Leroo La Tau Camp (2 nights)

Leroo La Tau is situated on the western bank of the Boteti River, which forms the boundary of the Makgadikgadi Pans National Park. The Boteti River provides a lifeline for the wildlife which inhabit the arid national park and is a critical link in the annual zebra migration. Leroo La Tau is the perfect base from which to explore this truly unique piece of Botswana paradise.

Camp Moremi (2 nights)

Camp Moremi has a well-deserved legacy in the Botswana tourism industry for being able to deliver the classic African safari experience. Completely rebuilt in 2018 as a modern luxury safari lodge, Camp Moremi is located within the world-renowned Moremi Game Reserve.

Camp Okavango (2 nights)

Botswana's magnificent Okavango Delta situated within the heart of the newly declared World Heritage site, is the world's largest inland delta, and is a maze of deep lagoons, large lakes and hidden, meandering channels. Camp Okavango, a unique and exclusive African safari camp is situated on the remote Nxaragha Island. This hidden treasure, in the heart of the permanent Okavango Delta, assures its guests of an unparalleled year-round water wilderness experience.

Savute Safari Lodge (2 nights)

Stretching from the Linyanti River all the way to Savute Marsh, the winding waterways of the Savute Channel have pumped life into the western section of Chobe National Park for many thousands of generations. However, this fickle and unpredictable channel, which has a fascinating history of flooding and drying up, independently of good rainy seasons and flood levels elsewhere, has mystified local inhabitants, geologists and others for many years.

Chobe Game Lodge (2 nights)

The only permanent game lodge situated on the banks of the Chobe River within the famous Chobe National Park, Chobe Game Lodge is Botswana's premier venue for guests looking for a perfect base from which to explore the National Park and Chobe Riverfront. This five-star Lodge has full eco-grading by Botswana Tourism Board.
