

4x4 tour - Authentic Algerian desert

08 Days / 07 Nights

We want through this circuit to make you discover a "other desert" that which allows you to move away from the main tourist circuits while seeing the main known places in the vicinity of Djanet including Essendilene, the rock carvings of Dider, the Erg Admire and its dunes to infinity, the Touareg village of Ihrir Another discovery of the Algerian desert.

With this 4x4 circuit, combined with a few hikes, you will get to know life in the desert as the Tuaregs live it. You will be in harmony with nature, the rhythm of the sun and the stars....

During the many proposed walks you can admire some paintings or rock carvings at the bend of a path.

The magnificent oases with their unexpected surfaces of crystal clear water: the Gueltas will amaze you, the water is there, always present. And of course you will have the opportunity to taste an excellent couscous accompanied by the captivating Tuareg music.
