Rio de Janeiro is green hills, blue sky, beautiful bays, islands and marvelous beaches. It is the second biggest city in Brazil (after Sao Paulo) and, certainly, one of the most beautiful cities in the world! Beach hotels are situated along the whole perimeter of Guanabara Bay. Blue ocean water will call you to the beach. The most popular beaches - Copacabana, Ipanema and Leblon, are famous for their black and white tiled promenade.

Iguazu Falls! All the power and greatness of nature in front of you! Even in dreams it is impossible to describe the feeling that a person experiences standing in front of these impressive waterfalls!

Feeling like back in the 1860's: The Coffee Valley, in the Province of Rio De Janeiro, already accounted for 75% of all coffee consumed in the world, which allowed Brazil to become a leader in the production and export of this gold product. It is because of the rapid economic growth of this region (Coffee Valley), the coffee harrows have raised beautiful estates in the area. Of more than 200, about 30 have survived to this day and are open to visitors!
