Excursions at Canaima

Laguna Canaima

Salto Sapo or Salto Hacha. In this three-hour excursion, we visit Salto El Sapo o Salto El Hacha that plunges into the Canaima lagoon. The water flows over a curtain of rocks, which is accessible and from which the waterfall can be seen up close behind. An incomparable experience.

Angel Falls Full Day (only during the rainy season from May to November)

Join us on a full day canoe trip to Angel Falls. Before dawn we start with the excursion over innumerable rapids to the enormous Angel Falls. We then hike from the riverbank to the foot of the waterfall through dense jungle. There is an overwhelming view of the 900 m free-falling water. In the early afternoon, we return to Canaima in the canoe.

Overflight Angel Falls

Enjoy the most spectacular flight you can do on earth. With our single-engine Cessna we went from Canaima to Angel Falls. Several laps are made on the waterfall. The spectacular view is an unforgettable experience, after approximately 45 minutes you will return to the camp with a flight over the Canaima lagoon.

Angel Falls Overnight (only during the rainy season from May to November)

Enjoy the unique excursion to Angel Fall with an overnight stay in hammocks in the jungle in front of the enormous Angel Falls. We walk from the bank of the Churun River to the foot of the waterfall through dense jungle. There is an overwhelming view of the 900m free falling bodies of water. In the afternoon we go to our simple camp on the banks of the river. We spend the night in hammocks with a campfire.

Helicopter Excursions

Experience the world of table mountains from the perspective of a helicopter. An unforgettable experience.
