Day 4

Full day Vall de Nuria (with a trip by the traditional train) + Ripoll

Leave the hustle and bustle of Barcelona for the serenity of the alpine mountains. In only two hours, you will experience a complete change of environment.

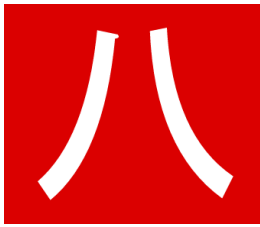

Discover bucolic landscapes and marvel at the breath-taking views. Today, the Pyrenees still represent nature in its pure state. Admire the new constructions of stony houses and slate roofs, which have preserved the rustic ambiance. The area will surprise you not only for its amazing scenery but also for its important artistic heritage. Visit the Roman Monastery of Santa Maria in Ripoll and learn about its important history.

Take the funicular railway up to the Nuria Valley, the only way to reach the area. On arrival, enjoy a guided tour to the Sanctuary of the Virgin Nuria and the surrounding natural area. Sample local products after the visit and before enjoying the free time for lunch, at your own expense. Its great outdoors and cultural richness, suitable for the whole family, invite you to take part in different activities available.
