## «HELLO AZERBAIJAN»

### Sightseeing tour

*Azerbaijan is an amazing country. Everything here is unique: nature and culture, history and customs, traditions and architecture, and much more. Azerbaijan is often called «the land of fire» (from word «azen» which means «fire»). All this comes from the ancient times, as before our era, tribes of the fire-worshippers lived on the territory of Azerbaijan. Since those times, the most ancient evidence of that era has been preserved on the territory of our country: rock paintings, petroglyphs, ancient statues and temples.*
