

Margarita Island

Margarita Island - Day Tour

Departure after breakfast to the capital of Edo. Nueva Esparta, La Asunción where we visit this beautiful colonial town with the church of Nuestra Señora de la Asunción and the Castillo de Santa Rosa,

Then we will continue to El Valle del Espíritu Santo to see the Basilica Menor de la Virgen del Valley. It is a 20-minute stop during the visit of the the sanctuary we can buy typical sweets or eat a delicious empanada.

We will leave this sanctuary to continue towards the Macanao Peninsula and stop at the Laguna de La Restinga National Park. There we take a typical boat for a 40-minute tour through the mangroves, observing the greatest biodiversity between fauna and flora of the Caribbean.

After the tour, we continue go to the beach of Punta Arenas, to enjoy it for 2 hours, an excellent place to eat fresh fish or a seafood dish at the best price on the island.

At sunset, they will make our way to the north side of the island,

towards the Fortín de La Galera to enjoy a spectacular sunset; buy some crafts or eat something sweet before we return to the hotel.

The tour includes:

Transfer in comfortable units with A/C

Hydration (soft drinks, water)

Professional English or Russian guide

Awnings and Chairs in Punta Arenas Beach

Duration 8 hours.
