

## WILDLIFE PASS CAMBODIA

6 DAYS / 5 NIGHTS

### I. HIGHLIGHTS

- Preparing and observing the feeding of the resident sun bears, monkeys, and other wildlife on various stages of release at Wildlife Release center
- Hiking in the jungle and walking along overgrown logging trails to explore local flora and fauna
- Overnight stay at a luxury tented camp in the Cardamom Mountains
- Experience the Botum Sakor National Park and its abundant natural treasures

### II. ITINERARY

#### DAY 1

#### Phnom Penh – Chiphat

Depart from Phnom Penh in the morning and travel to Chiphat village, nestled in the Cardamom Mountains. Upon arrival, take a walking or biking tour around the village, followed by a local meal prepared by village women at the community restaurant.

## DAY 2

### Chiphat - Wildlife Release Centre

Today, journey to the Wildlife Release Station nestled in the Cardamom Mountains, where rescued animals find sanctuary. After pickup from Chi Phat village, settle into the station with a morning tea or coffee before embarking on a jungle hike to spot diverse flora and fauna. Enjoy a refreshing swim in a nearby stream and savor a local lunch. Observe afternoon animal feedings and check camera traps for wildlife. Conclude the day with dinner and a nocturnal wildlife spotting walk.

Please note: there are no powerlines in the release center. Electricity is generated by solar panels, so there is only a limited supply. Please bring along sufficient power banks to charge your gadgets.

## DAY 3

### Wildlife Release Centre

Rise early to join keepers for morning animal feedings before breakfast. Embark on another jungle hike, exploring different trails and discovering hidden gems of the forest. Return for lunch and participate in afternoon animal feedings and camera trap checks. Enjoy dinner and another evening wildlife spotting walk

## DAY 4

### Wildlife Release Centre – Chiphat – Cardamom Tented Camp

Transfer from Chiphat to the Cardamom Tented Camp, located along the Preak Tachan River. Enjoy a scenic boat trip to the camp and settle into your safari-style tent. Explore the jungle surrounding the camp on a guided hike and learn about conservation efforts in the area.

## DAY 5

### Cardamom Tented Camp

Join Wildlife Alliance Rangers on a patrol through the dense forest, spotting wildlife and learning about conservation efforts. Visit the Ranger Station to see confiscated poaching tools and enjoy kayaking or hiking back to camp.

## DAY 6

### Cardamom Tented Camp – Departure

Enjoy breakfast at leisure before boarding a boat back to the departure lodge. Transfer to your next destination is not included, but options are available upon request. Extend your stay to explore the beautiful beaches of Koh Rong or Koh Rong Sanloem.
