

PHOTOGRAPHIC JOURNEY THROUGH SINGAPORE

2 DAYS / 1 NIGHT

I. HIGHLIGHTS

- Capture stunning views of the skyline and iconic Merlion at dawn.
- Explore innovative architecture and lush greenery in this urban oasis.
- Witness the blend of traditional and modern structures, perfect for street photography.
- Visit Singapore Zoo or Jurong Bird Park for captivating shots of animals in their habitats.
- Conclude your tour with a magical sunset shoot at this unique pedestrian bridge, offering panoramic city views.

II. ITINERARY

DAY 1

Architectural Marvels and Urban Explorations

Begin your day with a stunning sunrise photography session at Marina Bay Sands, capturing the iconic skyline and the Merlion against the dawn light. Explore the futuristic Gardens by the Bay, focusing on the innovative architecture of the Supertree Grove and the enchanting Cloud Forest. In Chinatown, witness the fusion of traditional and modern structures, capturing the intricate details of temples and lively street scenes. Conclude the day with a photo shoot at Helix Bridge and Marina Bay Sands, experimenting with long exposure for captivating nightscapes.

DAY 2

Nature and Wildlife Photography

Visit Singapore Botanic Gardens to capture natural landscapes and the National Orchid Garden's serene beauty. Explore either Singapore Zoo or Jurong Bird Park for wildlife photography, focusing on animals in their natural habitats. Venture to the Southern Ridges for panoramic city views, ending with a sunset shoot at Henderson Waves, a unique pedestrian bridge suspended above the forest canopy. Capture the stunning sunset against the city skyline, concluding your journey with unforgettable images celebrating Singapore's diverse landscapes and rich biodiversity.

Tour extensions: pre-tour or post-tour extensions are available, which would include accommodation and private transfers, please speak to Focus Asia travel consultant for further details.
