## Program Details

### Day 01:

#### Arrive at Dhaka

---

Arrive Dhaka. On arrival, you will be greeted and assisted by our representative and transferred to the hotel.  
**(Rooms will be available from 1400 hrs)**

**DHAKA** - Dhaka (or Dacca) is the capital and largest city of Bangladesh. It is the cultural and economic hub of the country. It is not a quiet, retiring place. The city, bursting with nearly 17 million people, is a gloriously noisy and chaotic place, bubbling with energy. It's a city that can sometimes threaten to overwhelm the casual visitor, but once you climb into the back of one of its myriad colourful cycle-rickshaws, Dhaka's charm starts to slowly reveal itself. Life flows from the boats on the Buriganga River to its unexpectedly green parks and university campuses. Mughal and British monuments speak of its history, its mosques and Hindu temples of its spiritual side, and the thriving arts and restaurant scenes – plus the rush to build new roads and a metro railway system – give a glimpse of the direction of future travel. Dhaka isn't without challenges, but sooner or later you'll start to move to its rhythm and truly embrace this furiously beating heart of Bengali culture.

### Day 02:

#### Dhaka

---

After breakfast explore Dhaka, one of the most vivacious (and chaotic) cities in the world.

**Highlights:** Old Nawab's Palace – Ahsan Manzil, Language Martyr's Memorial, University, the colony of conch shell bangle craftsmen; the ancient capital of undivided Bangladesh; abandoned city of Panam.

Today grab your breakfast and pour into the city, as early as you could. Experience the **Puran Dhaka** (we mean Dhaka - the old quarters), which is a time-stopper zone actually! **Ahasan Manzil, the Dhaka Nawab's palace** will tell you few such stories, indeed. Witness **Dhaka University**, the nerve-center of Bengali Language Movement along with the **21<sup>st</sup> Feb Monument** recalling the language martyrs, which shaped up the spirit of Bangladesh.

And if you are courageous enough, squeeze out 30 minutes (or more... you say?) to **sample some unique street food**, this foodie city is meant for.
